Players should come prepared with water bottle and socks in addition to their equipment. Please ensure their name is written on their water bottle.

With many 'new to hockey players' on each team please take advantage of the Stick & Puck skate happening at the Ice Palace at 9:30am on Saturday morning. This will be a family skate with sticks and pucks to have girls get accustomed to their equipment and the game of hockey.

Midgett BB players will be on the ice circulating to provide coaching and assistance where needed.
